Who is Mr Beever?

My name is Stuart Beever and I am the new Leading Teacher at Fairhills Primary School. I have enjoyed meeting some of the students and parents and I'd like to thank the staff for their very kind welcome. My role at FPS will involve whole school leadership, with a focus on actioning the School's Strategic Plan and improving student learning and results. I have taught in a few local schools for some time now and I am keen to bring new knowledge and ideas to FPS and also champion what is already having great success here. I look forward to meeting each of you and working together to ensure Fairhills remains a great school to learn and belong to for all. I wish all our students all the very best for their learning this term.
