

FAIRHILLS FOCUSES ON LEARNING!

Let's do some writing over the term break!

Last day of Term 1 is here!

Thank you to everyone who has helped make Fairhills all about learning.

Thank you to all of our fabulous staff for all of the work you do.

Congratulations to our PFA for supporting our students through fundraising.

Well done kids – we've used our positive mindsets to keep us learning and to help us show **growth!**

Here are some tips to help teach organisation over the holidays.....

- store toys so they are easy to get out and put away
- wait for natural breaks in your child's play before getting them to tidy up
- let your child know when it is nearly time to tidy up
- tell your child what you want them to do at tidy up time
- help your child get started if necessary
- make tidying up fun
- praise your child for tidying up
- if your child refuses to tidy up, gently guide them
- use quiet time-out for problem behavior
- return your child to tidy up their mess
- use a logical consequence

ENJOY YOUR BREAK

KEEP SAFE
