

FAIRHILLS FOCUSES ON LEARNING, GROWING, ACHIEVING TOGETHER!

Welcome to Term 3 Remote Learning 2.0 everyone
and a very warm Fairhills welcome to our new students and families!

Well done on your resilience and cooperation team –we’re all going through a very different Term 3 this year. The positive thing is that we’re all becoming more confident with the demands and challenges of Remote Learning. Take advantage of the enhancements to the FPS Remote Learning support so that we can all learn, grow and achieve together:

- FPS Instructional Videos available on some tasks
- ‘How to’ guides to support families accessing remote learning
- 1:1 Webex sessions for teachers and students
- Art, Music and PE Webex sessions for students
- ‘telephone tree’ to let us help families to connect to others
-

Here are 10 really useful questions you can ask to develop a GROWTH mindset in children:

1. What did you do today that made you think hard?
2. What happened today that made you keep going?
3. What can you learn from this?
4. What mistake did you make that taught you something?
5. What did you try hard at today?
6. What strategy are you going to try now?
7. What will you do to challenge yourself today?
8. What will you do to improve your work?
9. What will you do to improve your talent?
10. What will you do to solve this problem?

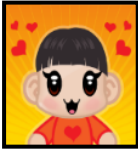

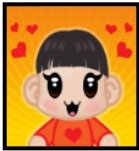

SAFETY is our first STARR value – as an important reminder: the **FPS CHILD SAFE POLICY and CHILD SAFETY CODE of CONDUCT** documents are posted on our website – hard copies are available on request. They are part of the **Child Safe Standards**, which are compulsory for all Victorian schools.

Keep safe and stay well
Take care
