

WELCOME BACK and A VERY FRIENDLY and WARM WELCOME TO OUR NEW FAMILIES!

ANZAC Day

Our learning community used our STARR value *Respect* today to mark the ANZAC tradition by honouring those who took part in the Gallipoli campaign in World War 1 (1914 – 1918).

School Photos

Thank you everyone for making sure our students wore our School Council approved FPS school uniform and were neat and tidy on the day 😊

This term.....

Let's ALL get.....

- a regular sleep pattern
- the right amount of time in bed
- a quiet, dark comfortable bedroom that isn't too hot or too cold
- down time – reading a book and listening to relaxing gentle music help

AND KEEP

**All distracting electronic equipment
(Including PHONES iPads computers TVs)
OUTSIDE the bedroom**

Let's ALL keep safe.....

Our high priority and first STARR value is SAFETY.

Students who are not picked up by 3.45 and who are not attending the BYK after school care program **MUST** come to the front office. *Please reinforce this with your children.*

Asthma Awareness:

Our school recognises that students diagnosed with asthma need to be supported. We need to know what can trigger it in individual students so that we can work with you to provide support and treatment if required. We do our very best to reduce asthma triggers in our immediate environment where possible. Please make sure that your child's ASTHMA CARE PLAN is kept up-to-date and that the information required for the Student Health Care Support Plan is current if your child has asthma. It is excellent for parents to encourage their child to learn to manage their asthma including recognising triggers.

Sshhhhh! Mothers' / Special persons' Day stall coming up.....

Keep safe
