

OUR COMMUNITY IS COMMITTED TO LEARNING, GROWING and ACHIEVING TOGETHER.

The P.F.A. Sausage Sizzle at Bunnings is on Sunday 23rd June. There are still some vacancies on the roster and it would be great if families could donate a couple of hours during the day to help. Events like these are a good time to meet other families and build on our great community spirit. Please contact the office and they will be able to add you to the roster.

As the school holidays approach, this is a friendly reminder that when families are upgrading school shoes, they should be all black. They can be either runners or school shoes depending on your child's preference. Black shoes with a white sole are not acceptable, neither are any visible brand names. School uniform is an important equaliser in schools, it allows all children to be equal. It means students whose families are struggling to pay bills or put food on the table are not sitting next to another student wearing \$300 basketball shoes. It also promotes pride in the school and follows our STARR Values of Respect and responsibility.

This week we said farewell to Mr Beever who has been a great asset to Fairhills Primary School, and we will all miss having him here. After 8 years with us, he has been successful in securing a permanent position as the Assistant Principal at Montmorency South Primary School. He leaves a legacy behind with the work he has done academically, as well as in the wellbeing space and more recently with the covered basketball court, which is an incredible asset to the school. We had a morning tea to farewell him, and the students gathered at the end of the day to wish him well.

Thank you and Goodbye Fairhills

To the Fairhills PS community,

To conclude my time at Fairhills, my summary thoughts are full of thankfulness.

- Thank you for this amazing opportunity to learn, grow and achieve in my career. I have learnt so much and have appreciated everyone's trust, respect and teamwork.
- Thank you to Tanya Burton, for her leadership and kindness over the time I have known her. I am excited about the future of FPS and for all she will achieve with every member of our community.
- Thank you to Moi Beaurain. I want to honour and say thank you for all she invested in me and in so many other students, families and staff over her time as Principal of our wonderful school. She changed many lives and I'm sure you'll all agree, we are incredibly grateful for her commitment and investment in education over countless years. May we all reflect her energy, knowledge and wisdom in our own lives.
- Thank you to the Staff. We have achieved many wonderful things together and I am grateful for our teamwork, care and commitment to improving education and lives in Ferntree Gully.
- Thank you to families. It has been a pleasure getting to know so many families and working alongside you for the benefit of your children. Thank you for leading your families, supporting our STARR Values and raising healthy, happy, resilient children.
- And finally, thank you to our amazing students. While I may have taught them a thing or two, they have taught me much more and I am forever grateful. May each student continue to remember how special and unique they are and that they can achieve many wonderful things, both now and in their future.

Goodbye and thank you.

Kind regards

Stuart Beever
