

**OUR COMMUNITY IS COMMITTED TO
LEARNING, GROWING and ACHIEVING
TOGETHER.**

Our Grade 5/6 Camp last week was a huge success. The camp had a strong focus on teamwork and the students embraced this wholeheartedly. They participated in a range of activities, including canoeing, Possum Pull, campfire lighting and boomerang throwing. Throughout the camp, students supported one another, encouraged their peers and approached each activity with a positive attitude.

Many students stepped well outside their comfort zones, placing their trust in both the school and camp staff to support them. Even when they felt nervous, they participated in every activity, giving their best effort. We are incredibly proud of the way our students represented Fairhills Primary School and the growth they demonstrated throughout the week. A big thank you to our staff for their support and organisation and to our families for helping prepare students for the experience.

This week, students began their Circus Crew program, which will run throughout the term. During the program, students will develop circus skills while building confidence and coordination through a range of activities. The program will conclude with a performance on **Tuesday 15th September**, where students will have the opportunity to showcase the skills they have learned. We look forward to seeing the students' progress over the coming weeks and celebrating their achievements at the final performance.

A reminder to all families that the Compass Calendar is the best place to keep up to date with upcoming school events, excursions, camps, pupil-free days and other important dates. As new events are added throughout the term, we encourage parents and carers to check the Compass Calendar regularly to stay informed.

Junior News

Our students have got straight back to work for Term 3! Our Preps have continued to work on sentences, adding imagery and description using amazing verbs. Grade 1/2 are focussing on narratives and sentence structure, including word choice. We are all very inspired by the books of Andrea Rowe – our visiting author in Week 6 of this term.

The Junior School is focussing on number for the next few weeks – manipulating numbers, counting numbers, creating numbers.

We have also begun our Inquiry topics – Grade 1/2 is focussing on ‘Forces’ – particularly in relation to toys using push and pull. Meanwhile our Preps are diving into all things weather!

ANDREA ROWE IS VISITING OUR SCHOOL!

On 19th August Andrea will be visiting our school to talk to students about reading and writing. This is a fantastic opportunity to learn more about the practices of professional authors and how they write the interesting and engaging stories we love.

Students have the opportunity to pre-purchase books for signing on the day!

**To order Andrea's books
please scan the QR CODE or
