**IN THE FUTURE WE ‘D LIKE:**

Write your ideas down and send the piece of paper enclosed with this newsletter back to school in your child’s reader cover or at the front office.

**Visit from our Chine sister school: Taicang Zhudiwen PS:** we will be hosting

10 students and one teacher for six days from **5th August to 11th August 2016** i.e. the group will be arriving at school on Friday 5th August morning and will be picked up from school on Thursday 11th August morning

please let me know if your family would like to host one of the students – there is funding support available for host families. This is a fabulous opportunity to extend our hospitality to young travellers from our sister school and to give them an unforgettable life experience in an Australian family. Homestay family members over the age of eighteen must meet requirements of the **Working with Children Act** which means a Working With Children Check.

Fairhills High School also needs a family to host a secondary student for a short time. Financial assistance is available. Please contact the High School on 9758 5022 if you are interested.
